YOUR HOME AWAY FROM HOME

Unwind, relax, and make yourself at home in Bangaram Island Resort

Experience an island resort that harmoniously integrates with the natural environment while providing modern comforts. Stay in beachfront cottages featuring stunning ocean views and direct beach access. The accommodations are sustainably designed to ensure a minimal ecological footprint without compromising on luxury.

Hidden gem's of the ocean

Bangaram Island offers scuba diving enthusiasts a chance to explore its pristine coral reefs and crystal clear waters. Beneath the surface lies a vibrant underwater world teeming with life, from graceful turtles to colourful schools of tropical fish darting among the corals.

The exceptional water clarity, often exceeding 20 meters, provides stunning visibility, making every dive a breathtaking experience.

DIVERSE DIVE SITES :

Explore a range of dive sites, from shallow coral gardens to deeper drop-offs and wreck dives.

MANTA POINT :

Featuring kaleidoscope reefs starting at 6 meters and sloping down to 23 meters. Experience an abundance of marine life including snappers, reef sharks, octopus, lobsters and even manta rays during the months of November and December

LITTLE CANYON

This 12 meter dive site offers divers unspoiled reefs and an opportunity to encounter anything from stingrays to sweet lips, and schooling reef fish

GRAND CANYON

Admire some of India's most impressive underwater topography. The Grand Canyon is surrounded by two sloping 30 meter walls hosting vibrant fan corals and a variety of marine life including tuna, eagle rays and more
