---

Explore the  
ocean and reefs  
*at Lakshwadeeep*

An underwater scene featuring a large, branching red coral on the left and a dense, white, spiky coral in the foreground. Three clownfish are swimming near the corals. The background is a deep blue water surface with ripples.

## FROM THE SHORE TO THE SEAFLOOR

Orca Dive Club warmly welcomes you on a captivating journey of underwater discovery.

Step into the serene beauty of Kavaratti, where white sands, turquoise waters, and lush green hills carry you far from the chaos of city life. Nothing short of paradise, this secluded island is home to crystal-clear lagoons teeming with shimmering fish and untouched coral reefs

Enjoy guided dives and hand picked excursions that bring you face-to-face with fascinating marine species and immerse you in beautiful and vibrant seascapes. Each experience is thoughtfully curated, ensuring you witness the island's best-preserved treasures

At Orca, we're not just about diving—we're about creating moments you will cherish. Our passionate team is dedicated to making every adventure enriching and deeply connected to the ocean we love. Come share in a place that has captured our hearts, and let it capture yours too.

The background of the entire page is an underwater scene. In the bottom left corner, there is a large, detailed piece of coral with a reddish-brown hue. The rest of the background is a deep blue, filled with numerous small, silvery fish swimming in various directions. A thin, light blue horizontal line runs across the top of the page, just above the first section header.
